## Change of Address Form

---

The Department of Homeland Security/U.S. Immigration and Customs Enforcement requires that if a student moves, “you must notify your DSO of your new address **within 10 days of the change of address**. The DSO will update SEVIS with your new address.” It is the student’s responsibility to maintain accurate contact information at all times. Failure to do so could result in student’s missing important notifications from Immigration and/or the school regarding visa issues.

In addition to notifying the DSO, students must change their address at the following link: <https://www.uscis.gov/addresschange>
